TROUSER MEASUREMENTS FORM

Take a tape measure.

(measurements must be given in cm)

Take measurements over your underwear

E	Waist size: Position yourself normally. Measure where the waist is best marked.	
M	Hip circumference: Measure the widest part of the hips.	
F	Pelvic circumference: Measure at the peak of the buttocks.	
N	Waist-to-floor length: Measure lateral waist-to-floor length.	
G	Crotch length ground: Position yourself normally. Measure from fork to ground.	
O	Back: Sit down. Measure from waist to chair.	
P	Thigh circumference: Position yourself normally. Measure around 10 cm from the crotch.
